

Technical Work Group Meeting

Date: October 11, 2018

Time: 9 to 11 am

Location: Jefferson Building

Topic: CLLDW EIS: Technical Work Group Kick-off

Meeting Objectives

1. To engage the Technical Work Group in the EIS process, and define expectations around their involvement.
2. To discuss the purpose of the EIS and the milestones and timelines (including scoping).
3. Discuss the scoping process where Work Group members can provide input on the EIS scope.

Please note: scoping comments will not be documented during this meeting.
